

ConcordTV is Looking for Fascinating People, Businesses, and Organizations **Who would *you* Recommend?**

ConcordTV's live annual telecast CONCORD ON AIR is scheduled for Sunday, October 28th, this year – it's one of our most exciting annual events; a live telecast about the community where the stars are the city of Concord and its citizens. The program will be the **kick-off of ConcordTV's 20th year** as a media resource for the community!

A special feature of the telecast is our spotlight on Concord's "**Most Fascinating Individuals**" of the past year. This year, we're starting the selection process a bit sooner, **allowing more time to capture these amazing folks** and their stories on video so everyone can appreciate their important contributions to our lives.

Here's where YOU come in: we've selected six community categories and *we'd like you to recommend individuals in those categories for ConcordTV to consider for the honors.* (Please feel free to recommend more than one per community category or leave any line blank.)
